

2014-2015 Student Poster Contest

Create a Poster for
Prevention 1st's
Home Fire Drill Campaign
and you could win a ride to school on a
fire truck!

Prevention 1st, a 501(c)(3) non-profit organization dedicated to stopping preventable injuries, is sponsoring a **Poster Contest** as part of its **7th Annual Home Fire Drill Poster Exhibition**.

The **Home Fire Drill** Campaign spreads the messages:

- Change Your Clock
- Test Your Alarms
- Practice Your Home Fire Drill
- Alarms Goes Off, You Get Out

It encourages all households to maintain smoke alarms and carbon monoxide detectors, create an exit plan, practice their escape twice a year, and always respond when an alarm sounds.

We encourage teachers to promote the participation of **all students K-12** in the Prevention 1st Home Fire Drill Poster Contest.
